

# INTIMIDATOR™ 15XPC

## 15" Capacity Hand-Fed Chipper

Tree care professionals, municipalities and rental companies seeking a compact-yet-powerful 15" capacity drum chipper turn to the Intimidator 15XPC. This impressive chipper features a 24" diameter chipping drum and at 7,500 lbs. it's easily towable. **Built stronger** using the highest quality components and assembled with solid welded construction, the Intimidator 15XPC will **outperform and outlast** all other 15" capacity drum chippers on the market.

### MORE COMPACT PACKAGE

Using Bandit's proven 24" diameter chipping drum with a wide throat opening, the Intimidator 15XPC checks in at approximately 7,500 lbs. The lighter design makes for easier towing, especially in areas where weight restrictions can hamper access or require special licensing for drivers and tow vehicles.

### CHIP LIMBY MATERIAL FASTER

The Intimidator 15XPC uses a 24" diameter chipping drum with four knife pockets and a two-wheel Slide Box Feed System. Powerful feed wheel motors provide exceptional pulling and crushing power for material entering the chipper. The feed system on the 15XPC is positioned within inches of the chipper knives, further increasing its effectiveness.

### LOWER MAINTENANCE

The Intimidator 15XPC has a heavy, reinforced drum with internal baffles. The drum also chips with four knives that make two cuts per revolution. The chipping drum assembly as well as the Slide Box Feed System should last the lifetime of the chipper and are backed by a five-year GUTS warranty.

### GREATER KNIFE LIFE

Compared to most competitors the Intimidator 15XPC has double the knives and double the cuts per revolution. Knives in the 15XPC do not dull as quickly. Knife maintenance costs, fuel consumption and vibration is reduced.

## COMMITTED TO QUALITY & SERVICE

### The Bandit Backbone™ Support

The Bandit Backbone is Bandit's commitment to customer service and support. It's always been a cornerstone of Bandit's philosophy, and today that backbone is stronger than ever. If you own a Bandit hand-fed chipper – regardless the age, hours, or warranty status – the Bandit Backbone is here to support you.

### We Are Here to Support You

There are nearly 200 dealer locations in the US and 61 international dealers to support you. They are factory trained. Plus we have an experienced parts and service department supporting you and our dealers.

## INTIMIDATOR™ 15XPC FEATURES

- **Rope/Line Shear Device (standard)**  
Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**  
Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**  
Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**  
Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**  
Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**  
Prevents engine from being started without the hood pin in place
- **Hydraulic Bottom Bump Bar (option)**  
Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels
