

INTIMIDATOR™ 19XPC

19" Capacity Hand-Fed Chipper

The Intimidator 19XPC is a powerful drum-style chipper that can **easily handle** big limbs, forked material and whole trees. It's an **extremely versatile chipper**, with one large 15-3/4" diameter top feed wheel, the 19XPC has the power to pull in the largest limbs and even whole trees. With its solid steel welded construction, proven feed system, durable components, and chip throwing technologies, the Intimidator 19XPC is a **favorite for tree services** needing a high-capacity chipper that's easy to maneuver.

MAXIMIZE YOUR PRODUCTION

The Intimidator 19XPC easily handles limby material with its large throat opening and Bandit's proven Slide Box Feed System. This system features powerful dual horizontal feed rollers 25" wide by 10-5/8" in diameter, powered by 63.9 CID hydraulic motors. The feed rollers are positioned within inches of the chipping knives, effectively controlling trees and branches. This reduces trimming time and labor costs while increasing production. The chain-driven top feed wheel combined with the bottom feed wheel produces over 10,000 lbs. of pulling force.

MAXIMIZE YOUR UPTIME

The Intimidator 19XPC has a powerful drum reinforced with internal baffles. The rugged construction and heavy-duty components throughout the Intimidator 19XPC help ensure long life and trouble-free performance. We realize what it costs when a chipper is down, and though we can't eliminate all downtime, we do our best to minimize it. That's why maintenance items are positioned for easy access.

PACK TRAILERS

The Intimidator 19XPC throws chips with more force due to the pocket design, the larger drum diameter, smooth transition, and smooth discharges. This means more chips per load and fewer trips to the dumpsite.

Choose from six standard colors, or select a custom color to match your fleet.

DIMENSIONS		
Capacity:	19" Capacity	48.26 cm Capacity
Opening:	20.875" x 20.5" wide	53 cm x 52 cm wide
Drum:	37" dia. x 22" wide	94 cm dia. x 55.9 cm wide
RPM:	Approximately 1,080 RPM	
Hitch: 2 position, 2-1/2" pintle hitch		
Discharge: 3 position standard with manual crank swivel		
Feed System: Slide box feed system with (2) 21" (53 cm) adjustable springs		
Frame: All of our frames are made from 2" x 6" (5.08 cm x 15.24 cm) rectangular tubing		

COMMITTED TO QUALITY & SERVICE

The Bandit Backbone™ Support

The Bandit Backbone is Bandit's commitment to customer service and support. It's always been a cornerstone of Bandit's philosophy, and today that backbone is stronger than ever. If you own a Bandit hand-fed chipper – regardless of the age, hours, or warranty status – the Bandit Backbone is here to support you.

We Are Here to Support You

There are nearly 200 dealer locations in the US and 61 international dealers to support you. They are factory trained. Plus we have an experienced parts and service department supporting you and our dealers.

INTIMIDATOR™ 19XPC FEATURES

- **Rope/Line Shear Device (standard)**
Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**
Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**
Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**
Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**
Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**
Prevents engine from being started without the hood pin in place
- **Hydraulic Bottom Bump Bar (option)**
Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels
