

INTRODUCING THE MQ WHITEMAN® 21 C.F. PROPANE POWERED BUGGY

The MQ Whiteman line of power buggies is expanding with the introduction of the new model WBH-21EFP. This model features an 18 horsepower Vanguard engine that's powered by propane offering extended run time.

- Payload capacity 21 cubic foot (595 L)
- Maximum load capacity 3200 Lbs. (1451 kg)
- High density polyethylene tub will withstand the toughest use
- 18 HP Vanguard propane engine with 3 years manufacturers warranty*
- Starting system recoil and electric start
- EPA/CARB compliant fuel system
- Low maintenance - burns cleaner, fewer engine deposits which affect efficiency and overall maintenance
- Fuel capacity 7.5 gallon baffled tank
- Travel speed: 7.25 mph (11.6 km)
- Superflex foam filled tires provide a soft air-like ride while extending tire life
- Width 44 inches (111.7 cm)
- Weight 1570 Lbs. (712.1 kg)

*Consult manufacturer's warranty for details.

Engines using LPG fuel should be operated only in areas with adequate ventilation. NEVER operate in confined areas or in areas where the free flow of air is restricted.

The best choice for concrete
and material transport.
